

Reading Digest Directions

By 9am on every class day, please upload a Word document with your Canvas 'Reading Digest' for the corresponding day. Please save your file with the following naming convention:

LastName_FirstName_ReadingDigest_YYYY_MM_DD.doc/docx

All 'Reading Digests' should include the following for **every paper assigned for the corresponding day** (note that sometimes there are two and other times three papers per day):

- (1) A short summary that lists the key takeaways of the paper and how they were achieved (this can be bulleted, point by point) – *max 200 words*
- (2) A bulleted list of all the main figures (if applicable) and 20-100 words listing what each figure shows
- (3) 1-3 questions you might ask if facilitating a group discussion on this paper (*one sentence each*)
